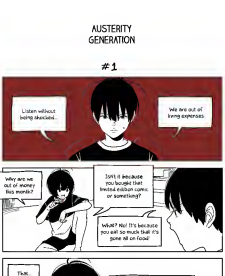
AUSTERITY GENERATION

#1



Listen without being shocked...
We are out of living expenses
Why are we out of money this month?
Isn't it because you bought that limited edition comic or something?
What? No! It's because you eat so much fruit! It's gone all on food
Fine.
Anyway! We don't have anything to eat at home and we don't have money to spend either
So we need to encourage our food outside, got it?
Austerity measures...

Try a slice!
Mister, I want to know how that movie tastes as well
Give me the ends of your ice-bar!
You don't want one-bite-ers of your own?
You don't want anything?
I have an upset stomach, so I'll just have some of the soup
We've collected a lot... well alone today as well
Let's try a little bit longer. It'll all be better soon.
